DEDICATION

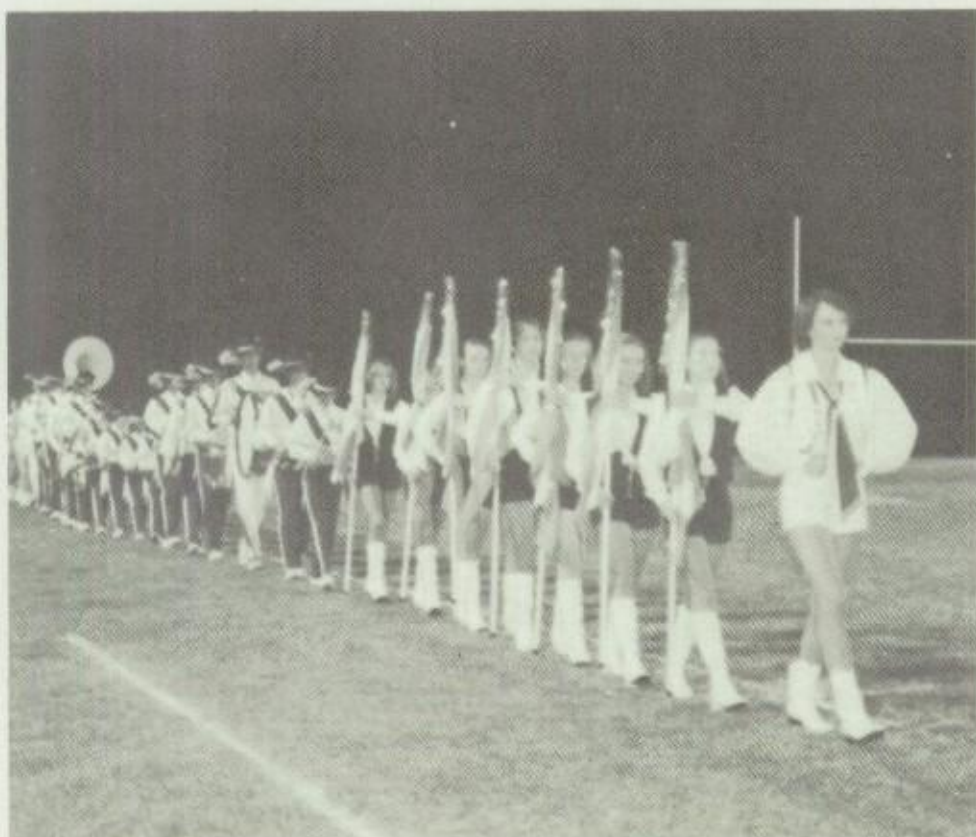

MISS WILLENE YATES

If there is one teacher who has dedicated herself to the success of Shelby Academy and to her students, it is Miss Willene Yates. For all the dedication and support you have given us over the past twelve years, we the Senior Class of 1982 dedicate this Academie to you.

Academie 1982

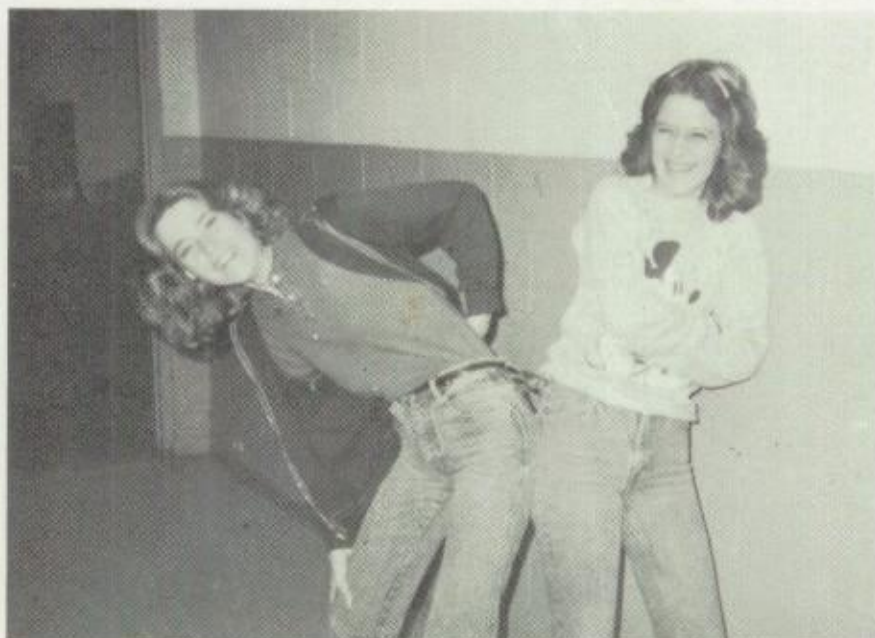

Memories pictures of the past, linger in my
mind.

The faces . . . the friends the fun we shared

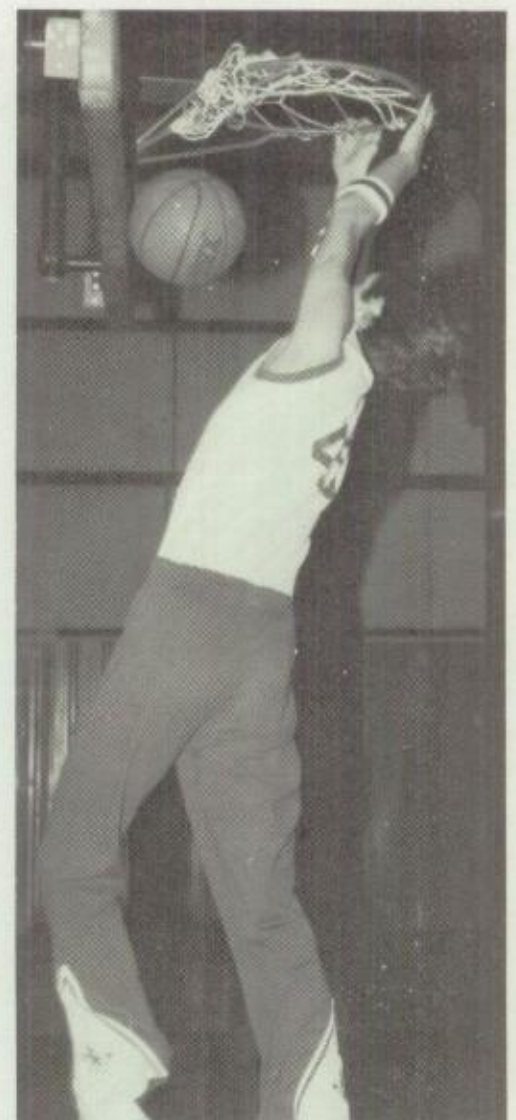

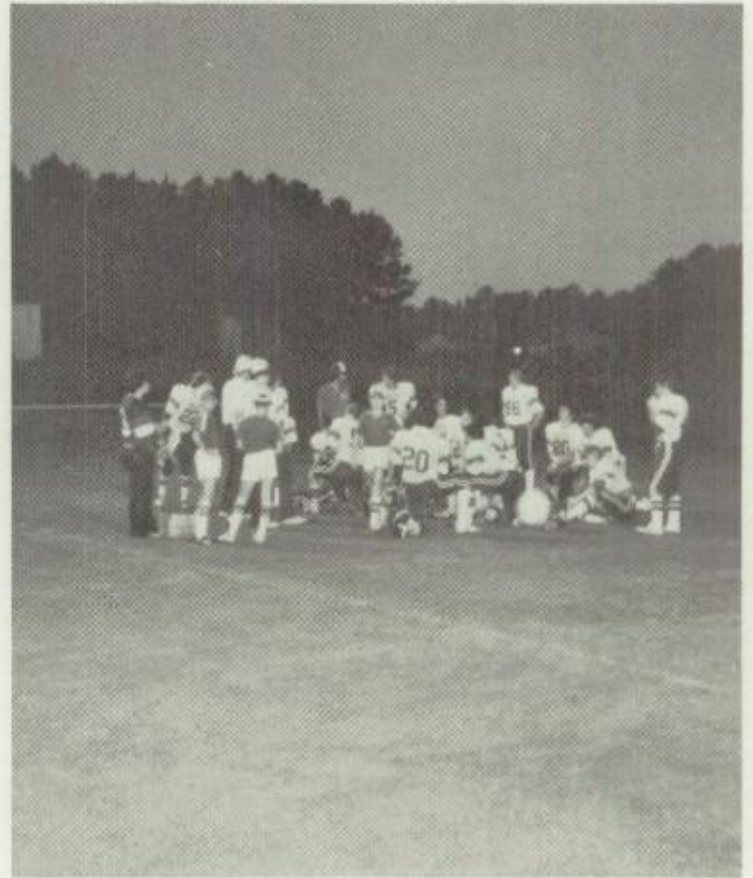

Nothing can take away our memories and into the future we travel,

Realizing that the joy, the sorrow, the victories,
truly made for us

CLASS OF '82

GRADUATION DAY

Today will start a new life
And we'll say our last good-byes
To all the friends we've grown to love
With whom we've laughed and cried.
Remembering the fun and laughter,
The problems and the fears
And watching all our memories grow
Throughout our highschool years.
The memories of the dances
And the new friends we've met
Vacations, teachers, parties,
And the Exams we'd rather forget.
Yes, highschool days are precious but brief
Where all your dreams come true
It's not the end but the beginning
Of a life we'll start anew.
